Your spot will only be reserved upon receipt of your entry fee and registration form! All Spots are first come first serve and we will take 18 teams. We typically will only use the contact information to update you if the event is cancelled/changed or if we received your registration after event was full. If your registration is received after the event is full your registration will be held until the day of the event incase another team doesn't show up.

All teams must arrive, sign in and have waiver signed by all players and be ready to stir the courts by 10:30. We may still be setting up & can always use help!! Meeting will follow and we will start promptly at 11:00am. If your pre registered team is not signed in with waiver completely filled out and returned by 10:45 your spot may be given to a waiting team. All teams must assist in stirring the courts. No money will be returned to teams who do not call 24 hours prior to event and let us know they will not be coming. Even with advance notice, if we cannot fill your spot you may forfeit your entry fee.

This event allows no carry ons! All coolers must arrive FREE OF BEER and with Absolutely No Glass.

Any individual caught with Glass bottles of any kind will get their entire team DISQUALIFIED and will not receive their money back. All teams will park inside the gate and their coolers will be checked at the gate. Support the community and the event!

All individuals helping are volunteers. Please keep it fun and follow the rules!
